

D Pro G5 - Professional windscreen repair system

Part no. 617G5

The newly developed windscreen repair system G5 is the fifth generation from HBC system, and distinguishes itself by being the most revolutionary glass repair system ever seen in the windscreen repair business. Due to the patented windscreen injector with vacuum and twist pressure function, the system offers the market's fastest windscreen repairs of the highest quality. The new patented windscreen Repair Bridge Pro G5 with one push vacuum cup, self levelling legs, easy moving indicator, and last but not least the clear Dualx2 windscreen resin, guarantees you the best windscreen system in the world.
