

Long Handle Operation and Parts

The DBT2, DBT2L, TBT2 and TBT2L use the same internal parts including the air control valve. The warnings and operating instructions are also the same. The only difference between them is the long handle. The TBT2L is shown below.

- 2253 Long Handle
- 2254 Axle Long Handle
- 2255 3" Wheel
- 2261 1/2" Push Nut
- 2263 1/4" 20 Lock Nut
- 2264 1/4" 20 x 1/2" Cap Screw
- 2266 1" Diameter Washer
- 2282 5/16" 18 x 5/8" Shoulder Bolt
- 3045 RakJak Long Handle Label
- 2274 40" Hose with Connectors
